

प्रातः सन्ध्या वन्दनम्

संकलनम् – गीतिका चित्तूरि

शुद्धि-प्रक्रिया

शरीर-शुद्धि: (Śarīra-śuddhi)

Please be ready for your morning ritual, after your bath and before your breakfast; wear a sacred cloth and put on vibhuti on your forehead and hands. Take a tumbler full of water and uddharina and arghyapatra. Sit on a comfortable seat facing the east for your morning sandhya vandanam. Sprinkle water with your right-hand on your head and body, chanting the following mantra.

अपवित्रः पवित्रो वा
सर्वावस्थां गतोऽपि वा ।
यः स्मरेत् पुण्डरीकाक्षं
स बाह्याभ्यन्तरः शुचिः ॥

पुण्डरीकाक्ष पुण्डरीकाक्ष पुण्डरीकाक्ष ।

Whether a person is impure or pure, or in whatever condition they may be, if they remember the lotus-eyed Lord, they become purified both externally and internally.

पूरण-आचमनम् (Pūrṇa Ācamana)

– ritual sipping of water & sanctifying body with Viṣṇu names

Now, you have to do purna achamanam, that is you have to sip water with your right hand, three times chanting:

ॐ केशवाय स्वाहा । (first time)
ॐ नारायणाय स्वाहा । (second time)
ॐ माधवाय स्वाहा । (third time)
ॐ गोविन्दाय नमः ।
ॐ विष्णवे नमः ।
ॐ मधुसूदनाय नमः ।
ॐ त्रिविक्रमाय नमः ।
ॐ वामनाय नमः ।
ॐ श्रीधराय नमः ।
ॐ हृषीकेशाय नमः ।
ॐ पद्मनाभाय नमः ।
ॐ दामोदराय नमः ।

ॐ सङ्कर्षणाय नमः ।
ॐ वासुदेवाय नमः ।
ॐ प्रद्युम्नाय नमः ।
ॐ अनिरुद्धाय नमः ।
ॐ पुरुषोत्तमाय नमः ।
ॐ अधोक्षजाय नमः ।
ॐ नारसिंहाय नमः ।
ॐ अच्युताय नमः ।
ॐ जनार्दनाय नमः ।
ॐ उपेन्द्राय नमः ।
ॐ हरये नमः ।
ॐ श्रीकृष्णाय नमः ।

Since this is a list of invocations, the combined meaning is:
I offer and surrender to the Supreme Reality manifest in many forms — as the all-pervading, the indwelling self, the controller of senses, the transcendent beyond perception, and ultimately as Śrī Kṛṣṇa, the complete and all-attractive reality.

Removal of obstructing entities

Now sprinkle water on the ground around your seat chanting the below shloka:

उत्तिष्ठन्तु भूतपिशाचा येते भूमिभारकाः ।
एतेषामविरोधेन ब्रह्मकर्म समारभे ॥

Let those beings—spirits and obstructive entities that burden this space—depart.
Without any obstruction from them, I now begin the sacred Vedic rite.

If you know pranayamam do it, mentally chanting the following mantras. If you don't know pranayamam, just touch your nose with your right-hand thumb, middle finger and fourth finger.

प्राणायाम मन्त्र (Prāṇāyāma Mantra)

– breath regulation with vyāhrtis + Gāyatrī

ॐ भूः ।
ॐ भुवः ।
ॐ सुवः ।
ॐ महः ।

ॐ जन्ः ।

ॐ तपः ।

ॐ सत्यम् ॥

ॐ तत्सवितुर्वरेण्यं

भर्गो देवस्य धीमहि ।

धियो यो नः प्रचोदयात् ॥

ॐ आपो ज्योती रसोऽमृतं ब्रह्म ।

भूर्भुवः स्वरोम् ॥

Om. We invoke the seven cosmic realms — earth, atmosphere, heaven, and the higher planes of existence. We meditate upon the radiant divine source (Savitṛ) who illumines all. May that divine light guide our intellects. That reality is water, light, essence, immortality — it is Brahman itself.

सङ्कल्पः (Saṅkalpa)

Now the Sankalpa.

ममोपात्त समस्त दुरितक्षयद्वारा श्री परमेश्वरम् उद्दिश्य श्रीपरमेश्वर प्रीत्यर्थम् शुभे शोभने अभ्युदय मुहूर्ते श्रीमहाविष्णोः राज्या प्रवर्तमानस्य अद्य ब्रह्मणः द्वितीयपरार्धे श्वेतवराहकल्पे वैवस्वतमन्वन्तरे कलियुगे प्रथमे पादे जम्बूद्वीपे भारतवर्षे भरतखण्डे मेरोः दक्षिणदिग्भागे शोभन गृहे समस्त देवता ब्राह्मण हरिहर सन्निधौ अस्मिन् वर्तमान व्यावहारिक चान्द्रमानेन <संवत्सरे> <अयने> <ऋतौ> <मासे> <पक्षे> <तिथौ> <वासरे> शुभ नक्षत्रे शुभ योगे शुभ करण एवंगुण विशेषण विशिष्टायाम् शुभ तिथौ श्रीमन् <> नामधेयः गोत्रस्य <> श्रीपरमेश्वर उद्दिश्य श्रीपरमेश्वर प्रीत्यर्थम् प्रातः/माध्याह्निक/सायं संध्यां उपासिष्ये ॥

For the removal of all accumulated sins, dedicating this to the Supreme Lord and for His pleasure, at this auspicious and favourable moment, under the command of Lord Mahāviṣṇu, in the present time—within the second half of Brahmā's lifetime, in the Śveta Varāha Kalpa, in the Vaivasvata Manvantara, in the Kali Yuga, in its first quarter, on this earth in Jambūdvīpa, in Bhārata Varṣa, in the region called Bharata Khaṇḍa, in the southern direction of Mount Meru, in this auspicious dwelling, in the presence of all deities, Brahmins, and Lord Hari and Hara, according to the current conventional lunar calendar—within the specified year, solstitial period, season, month, fortnight, lunar day, weekday, under an auspicious star, auspicious yoga, and auspicious karaṇa, and endowed with such auspicious qualities—on this sacred day, I, (name), belonging

to the (gotra), for the pleasure of the Supreme Lord and dedicating this act to Him, shall perform the morning/midday/evening Sandhyā worship.

मार्जनम् (Mārjanam)

Now while chanting the below mantra sprinkle water with your right-hand on yourself.

आपो॑ हि॒ ष्ठा॑ म॒यो॒भुवः॑ ।
ता न॒ ऊर्जे॑ दधातन ।
महे॑ रणा॒य चक्ष॑से ॥

यो वः॑ शिव॒तमो॑ रसः ।
तस्य॑ भाज॒यते॑ह नः ।
उ॒श॒ती॒रिव॑ मा॒तरः ॥

तस्मा॑ अ॒रं ग॒माम॑ वः ।
यस्य॑ क्ष॒याय॑ जि॒न्वथ॑ ।
आपो॑ जन॒यथा॑ च नः ॥

O waters, you are indeed the source of bliss and life. Grant us strength, vitality, and clarity of vision.

Of your most auspicious essence, may we partake here, like children nourished by loving mothers.

Therefore, we approach you for purification; you who remove decay and generate renewed life within us.

पुनर्मार्जनम् / प्रायश्चित्त मन्त्रः

Manyu-śānti mantra

Now take water in your right-hand.

सूर्य॑श्च॒ मा म॒न्युश्च॑ म॒न्युप॑तयश्च म॒न्युकृ॑तेभ्यः पा॒पेभ्यो॑ रक्षन्ताम् ।
यद॑ह॒न्ता पा॑प॒मकार्ष॑न् मन॒सा वा॒चा ह॒स्ताभ्यां॑ पद्भ्या॑मुदरेण शि॒शना॑ ॥

अ॒ह॒स्तद॑वलुम्बत् ।
य॒त्किञ्चि॑ददु॒रितं॑ मयि ।
इ॒दमा॒हम् माऽमृ॑तयो॒नौ सूर्ये॑ ज्योति॒षि जु॑होमि स्वाहा ॥

May the Sun, the force of impulse, and the lords of impulse protect me from the sins born of agitation. Whatever wrong I have done during the day — by mind, speech, hands, feet, body, or generative organ — whatever impurity resides in me, I now offer it into the immortal source, into the light of the Sun, as an oblation.

Take water inside. Now achamya. Chanting swaha 3 times, take water inside each time.

स्वाहा

स्वाहा

स्वाहा

Now while chanting the below mantra sprinkle water with your right-hand on yourself.

दधि॑क्राव्णो॒ अकारि॑षं जि॒ष्णो॒ अश्व॑स्य वाजिनः ।
सुर॑भि नो॒ मुखा॑करत् प्र ण॒ आयू॑षि तारिषत् ॥

I invoke Dadhikrāvan, the victorious and powerful divine steed. May he make our faces radiant and auspicious, and may he carry our life-forces forward and prolong them.

ॐ आपो॑ हि॒ष्ठा॑ मयो॒भुवः॑ ।
ता न॒ ऊर्जे॑ दधातन ।
महे॑ रणाय॑ चक्षसे ॥

यो वः॑ शिव॒तमो॑ रसः ।
तस्य॑ भाजयतेह नः ।
उ॒शती॑रिव॒ मातरः॑ ॥

तस्मा॑ अरं॒ गमाम॑ वः ।
यस्य॑ क्षयाय॑ जिन्वथ ।
आपो॑ जनयथा च नः ॥

This mantra is repeated. This time to sanctify the puja dravya with which you will offer arghya to the Sun.

O waters, you are indeed the source of joy and life. Grant us strength, vitality, and clarity of vision. Of your most auspicious essence, may we partake like children nourished by mothers. We approach you for purification — may you remove decay and generate renewed life within us.

हिर॑ण्यवर्णाः शुच॑यः पाव॑काः ।
यासु॑ जातः कश्य॒पो यस्वि॑न्द्रः ॥

अग्निं॑ या गर्भं॑ दधिरे॑ सुवर्णाः ।
ता न॒ आपः॑ शं॒ स्योना॑ भवन्तु ॥

Those waters which are golden-hued, pure, and purifying — in which Kaśyapa was born, in which Indra abides, which hold Agni within as an embryo — may those radiant waters bring us peace and auspiciousness.

यासां॑ राजा॑ वरुणो॑ याति॑ मध्ये ।
सत्याऽनृ॑ते अव॒ पश्य॑ञ्जनानाम् ॥

मधु॑श्चुतः॒ शुच॑यो या पाव॒काः ।
ता न॒ आपः॑ शं॒ स्योना॑ भवन्तु ॥

In those waters, within which King Varuṇa moves, observing truth and untruth among beings — those waters which flow with sweetness, pure and purifying — may they bring us peace and auspiciousness.

यासां॑ देवा॑ दिवि॑ कृण्वन्ति॑ भ॒क्षम् ।
या अ॒न्तरिक्षे॑ बहु॒धा भव॑न्ति ॥

या॒ पृथि॑र्वी पय॑सोऽन्दन्ति॑ शुक्राः ।
ता न॒ आपः॑ शं॒ स्योना॑ भवन्तु ॥

Those waters which the gods use in heaven as nourishment, which exist in many forms in the mid-space, and which, being pure and radiant, moisten and nourish the earth — may those waters bring us peace and auspiciousness.

शिवे॑न मा॒ चक्षु॑षा पश्यता॒पः ।
शिव॑या त॒नुवा॑ऽस्पृशत॒ त्वचं॑ मे ॥

सर्वा॑ अ॒ग्नीर॑प्सु॒षदो॑ हुवे वः ।
मयि॑ वर्चो॒ बल॑मोजो॒ निध॑त ॥

O waters, behold me with an auspicious vision; touch my body and skin with your benevolent presence. I invoke all the energies that dwell within the waters — may you establish in me radiance, strength, and vitality.

Now you feel you are fully purified. Now, take water in your right-hand palm and feel like this, "all my sins in a personified form, like a demon, are in my left side chest."

Now chant the below mantra.

द्रुपदा॑दिव मुञ्च॑तु द्रुपदा॑दिवेन॑ ।
मुक्त्वा ह॑येनः प्र॒मुमु॑क्तमेनः ॥

स्विन्नः॑ स्ना॒त्वा म॑लादिव पू॒तम् ।
पवि॑त्रेणेव॒ आज्यं॑ आपः शु॒न्धन्तु॑ मै॒नसः॑ ॥

May my sins be released as something is loosened from a firm wooden bond; may they be completely freed. Just as a person, having bathed, becomes clean from dirt, and just as clarified butter is purified through a filter, so may the waters purify the impurities of my mind.

Now exhale into this water that you have in your palm, feel the demon form of sins has entered into this water. Then throw the water to your left side feeling like there is a fire there, that burns the demon like sins in that big fire. Now you are fully purified and you are ready to do Arghyam pradhanam to Lord Sun.

ममोपा॑त्त सम॒स्त दुरि॑तक्षय॒द्वारा
श्रीप॑रमेश्वर प्रीत्यर्थम्
प्रातः अर्घ्य॑प्रदानं करिष्ये ॥

I shall perform the offering of arghya for the pleasure of the Supreme Lord, for the removal of all accumulated impurities.

Take palm full of water and say the below mantra to sanctify the waters.

अर्घ्यप्रदानम् (Arghya-pradānam with Gāyatrī)

Take palm full of water in your right-hand and chant the below mantra to sanctify the waters.

ॐ भूर्भुवः॑ सुवः ।

तत्स॑वितुर्वरे॒ण्यं
भर्गो॑ देवस्य धीमहि ।
धियो॒ यो नः॑ प्रचोदयात् ॥

We meditate upon the adorable radiance of the divine Savitṛ; may that divine light inspire and guide our intellects.

Hands raised to chest or forehead level, face east (in the morning) or face west (in the evening), chant full mantra below, at the chant of “प्रचोदयात्”, release water in a

forward arc, not dropping straight down. Then repeat the mantra 2 more times with joined palms.

Take palm full of water in the right hand and chant the below mantra.

उद्यन्तमस्तं यन्तमादित्यं अभिध्यायन् ।

कुर्वन् ब्राह्मणो विद्वान् सकलं भद्रमश्नुते ।
असावादित्यो ब्रह्मेति ब्रह्मैव सन् ब्रह्माप्येति ।
य एवं वेद ॥

ॐ भूर्भुवः सुवः ॥

Turn the palm full of water anti-clockwise around your head, dropping the water around you.

One who, as a knower of truth, meditates upon the Sun as it rises and sets while performing actions, attains complete auspiciousness. That Sun is indeed Brahman; realizing this, one becomes Brahman and attains Brahman. Whoever knows this (truth).

स्मृत्याचमनम् (Smṛty-ācamana)

Now you do Smṛty-ācamana. That is take water 3 times saying:

स्वाहा

स्वाहा

स्वाहा

This comes after Arghya and associated mantras, and before Gāyatrī japa, in many Smārta paddhatis. Type: Smārta (not Sāṃhitā). Its function is to restore inner composure, re-establish mindfulness (स्मृति) and prepare for japa (meditation). Unlike earlier ācamana, this is not just physical purification, but it is cognitive/mental centering.

ममोपात्त दुरितक्षयद्वारा

श्रीपरमेश्वरम् उद्दिश्य

श्रीपरमेश्वर प्रीत्यर्थम्

प्रातः संध्याङ्ग तर्पणं करिष्ये ॥

I shall perform the tarpaṇa, which is a component of the morning Sandhyā, dedicating it to the Supreme Lord, for His pleasure, and for the removal of all accumulated impurities.

संध्याङ्ग तर्पण मन्त्रः

Now chanting these following phrases pour water with your uddharina on the right hand palm and allow the waters to drop down onto the arghya patra through your finger's tips.

संध्यां तर्पयामि ।
गायत्रीं तर्पयामि ।
ब्राह्मीं तर्पयामि ।
निवृत्तिं तर्पयामि ॥

I offer libations to Sandhyā; I offer to Gāyatrī; I offer to Brāhmī; I offer to Nivṛtti.

संध्या-उपासना

Now संध्या-उपासना. Chant the following phrase 20 times.

असावादित्यो ब्रह्म ।
सोऽहमस्मि ॥

That visible Sun is Brahman. I am that. This is short but very profound Vedāntic statement.

विनियोगः (Gayatri Japa Viniyoga)

Now chant this mantra.

ॐ इत्येकाक्षरं ब्रह्म ।
अग्निर्देवता ।
ब्रह्मा ऋषिः ।
गायत्रं छन्दः ।
परमात्मा स्वरूपम् ।
सायुज्यं विनियोगः ॥

Om is the one-syllabled Brahman. Agni is the deity; Brahmā is the seer; Gāyatrī is the meter; the Supreme Self is its form; the purpose is union with Brahman.

गायत्री आवाहन मन्त्रः

Now Gayatri japam.

आयातु वरदा देवी अक्षरं ब्रह्म सम्मितम् ।
गायत्रीं छन्दसां माता इदं ब्रह्म जुहुषस्व मे ॥

May the boon-giving Goddess Gāyatrī, who is the imperishable Brahman and the mother of the Vedic meters, come here; accept this recitation from me.

यदहना कुरुते पापं तदहना प्रतिमुच्यते ।
यद्रात्र्या कुरुते पापं तद्रात्र्या प्रतिमुच्यते ॥

Whatever sin is committed during the day is released during that very day; whatever sin is committed during the night is released during that very night.

सर्ववर्णे महादेवि संध्याविद्ये सरस्वति ।
ओजोऽसि सहोऽसि बलमसि भ्राजोऽसि देवानां धाम नामासि ।
विश्वमसि विश्वायुः सर्वमसि सर्वायुरभिभूः ॥

O great Goddess, Sandhyā-vidyā, Sarasvatī of all forms — you are vitality, endurance, strength, and brilliance; you are the abode of the gods; you are the universe and its life; you are everything and the life of all; you transcend all.

गायत्री आवाहन मन्त्रः

गायत्रीम् आवाहयामि ।
सावित्रीम् आवाहयामि ।
सरस्वतीम् आवाहयामि ।

I invoke Gāyatrī; I invoke Sāvitrī; I invoke Sarasvatī; I invoke the seers of the Vedic meters.

छन्दोर्षीन् आवाहयामि ।

May the lineage of mantra revelation be present

श्रियम् आवाहयामि ।
बलम् आवाहयामि ।

I invoke Śrī (auspicious prosperity). I invoke strength.

गायत्र्या गायत्री छन्दः ।
विश्वामित्र ऋषिः ।
सविता देवता ।
अग्निर्मुखम् ।
ब्रह्म शिरः ।
विष्णुर्हृदयम् ।
रुद्रः शिखा ।
पृथिवी योनिः ।
प्राणापान व्यानोदान समानाः सप्राणाः ।
श्वेतवर्णा ।
सांख्यायन सगोत्रा ।
गायत्री चतुर्विंशत्यक्षरा ।
त्रिपदा ।
षट्कुक्षा ।
पञ्चशीर्षा ।
उपनयने विनियोगः ॥

The meter is Gāyatrī; the seer is Viśvāmitra; the deity is Savitr. Fire is its mouth, Brahman its head, Viṣṇu its heart, Rudra its crown; Earth is its womb; it is pervaded by the five prāṇas; white in form; of the Sāṅkhyāyana lineage; consisting of 24 syllables, three feet, six divisions, five heads; this is employed for the sacred Gayatri japa.

This section transforms Gayatri from mantra → cosmic being:

- body (head, heart, crown)
- prāṇa (five vital forces)
- structure (24 syllables)
- cosmos (earth as womb)

Gayatri becomes living devatā.

Gāyatrī-japa saṅkalpa

Now Sankalpa for the Gayatri japam.

ममोपात्त समस्त दुरितक्षयद्वारा

May a human aligned with Mitra become prosperous, who follows the discipline of the Sun.

Such a person is neither harmed nor overcome; no sin reaches him, neither from near nor from afar.

Now, prostrations to the deities ruling and living in the six directions.

Salutations to the deities who reside in the eastern direction; salutations again to them. सर्वदेवनमस्कारः केशवं प्रतिगच्छति ॥

ॐ श्रीकेशवं प्रतिगच्छति । ॐ नमः ॥

Just as water falling from the sky reaches the ocean, all salutations offered to any deity ultimately reach Keshava.

उत्तमे शिखरे जाते भूम्यां पर्वतमूर्धनि ।
ब्राह्मणेभ्योऽनुज्ञाता गच्छ देवि यथा सुखम् ॥

O Goddess (Gayatri), having arisen on the highest peak of the earth, having been duly invoked and permitted, now depart as you wish.

स्तोमं मे वरदा वेदमाता प्रचोदयन्ती पवने द्विजाता ।
आयुः पृथिव्यां द्रविणं ब्रह्मवर्चसं मह्यं दत्त्वा प्रयातु ब्रह्मलोकम् ॥

O boon-giving Mother of the Vedas, who inspires this hymn, grant me long life, wealth, and spiritual brilliance, and then depart to the higher realm.

नमोऽस्त्वनन्ताय सहस्रमूर्तये सहस्रपादाक्षिशिरोरुबाहवे ।
सहस्रनाम्ने पुरुषाय शाश्वते सहस्रकोटियुगधारिणे नमः ॥

Salutations to the infinite, eternal cosmic being, who has countless forms, limbs, and names, and who sustains innumerable cycles of time.

This is clearly connected to:

- पुरुष सूक्त vision
- cosmic विराट् (universal being)

इदं द्यावापृथिवी सत्यमस्तु पितृमार्तर्यदिहोपब्रवीमि वाम् ।
भूतं देवानामवमे अवोभिः विद्यामेषं वृजनं जीरदानुम् ॥

O Heaven and Earth, our divine parents — may what I speak be true before you. With the protection of the gods, may we overcome difficulties and gain sustaining strength.

सर्ववेदेषु यत्पुण्यं सर्वतीर्थेषु यत्फलम् ।
तत्फलं पुरुष आप्नोति स्तुत्वा देवं जनार्दनम् ॥

श्री स्तुत्वा देवं जनार्दनम् ॐ नम इति ।

The merit obtained from all the Vedas and the fruits gained from all sacred places — that same result a person attains by praising Lord Janardana.

Salutations to Bhagavān Vāsudeva.

वासनात् वासुदेवस्य वासितं भुवनत्रयम् ।
सर्वभूतनिवासोऽसि वासुदेव नमोऽस्तु ते ॥

श्री वासुदेव नमोऽस्तुत ॐ नम इति ।

By the presence of Vasudeva, the three worlds are pervaded. You are the indweller of all beings — O Vasudeva, salutations to you.

चतुःसागरपर्यन्तं गोब्राह्मणेभ्यः शुभं भवतु ॥

May auspiciousness prevail for cows and Brahmins (i.e., for dharma) throughout the entire world.

प्रवर / अभिवादनम्

Now say your pravara.

वसिष्ठ मैत्रावरुण कौण्डिन्य त्रयर्षेय प्रवरान्वितः ।
कौण्डिन्य गोत्रः ।
आपस्तम्ब सूत्रः ।
यजुः शाखाध्यायी ।
राघवराम शर्मा अहं भोः अभिवादये ॥

I offer salutations. I am one endowed with the lineage of the sages Vasiṣṭha, Maitrāvaruṇa, and Kauṇḍinya; belonging to the Kauṇḍinya gotra; follower of the Āpastamba sūtra; student of the Yajurveda branch; I, Rāghavarāma Śarma, offer my respectful salutations.

पूरण-आचमनम् (Pūrṇa Ācamana)

(often pronounced in practice as “purāṇa ācamana”)

Now perform purana achaman.

आ ब्रह्मलोकात् अशेषात् आलोकालोक पर्वतात् ।
ये सन्ति ब्राह्मणा देवास्तेभ्यो नित्यं नमो नमः ॥

From Brahmaloka down to the cosmic boundary, to all divine beings and knowers of Brahman everywhere, I offer constant salutations.

कायेन वाचा मनसेन्द्रियैर्वा
बुद्ध्यात्मना वा प्रकृतेः स्वभावात् ।

करोमि यद्यत् सकलं परस्मै
नारायणाय इति समर्पयामि ॥

Whatever I do — by body, speech, mind, senses, intellect, or by my very nature — I offer all of it to the Supreme Lord Narayana.

Now pour water with your uddharini on the palm of your right hand and let the water drop down into the arghyapatra via your fingertips.

अनेन संध्यावन्दनेन यत् फलम्
सर्वं श्रीपरमेश्वरार्पणमस्तु ॥

Whatever result arises from this Sandhyā Vandanam, may all of it be offered to the Supreme Lord.

ॐ तत् सत् ॥

Om — That is the Absolute Reality — Truth.

Bhagavad Gita (17.23)

ॐ तत् सत् इति निर्देशो ब्रह्मणस्त्रिविधः स्मृतः ।
ब्राह्मणास्तेन वेदाश्च यज्ञाश्च विहिताः पुरा ॥

“Om Tat Sat” — this threefold expression is declared to denote Brahman. By this were created in ancient times the Brahmanas, the Vedas, and the sacrifices.
